IN APPRECIATION

Emerson said, "An institution is the lengthening shadow of one man." Yearbooks are like that, too: they are the reflection of the influence of one person.

"Byron Ellis accepted the responsibility of sponsoring the Harrisonian at a peculiarly difficult time. He accepted it graciously and completely, with a willingness to bring to the book the very best that he had in ability and in purpose. He has stood by his commitment with dignity and honor, setting standards for himself and for the young people who have been privileged to work under his guidance that may well be used as a pattern for those engaged in comparable high school activities—standards of integrity in plan and practice, of efficiency and accomplishment, of service to the school and to the community.

It is fitting that as the yearbook of Harrison High School enters its twentieth publication under Mr. Ellis's leadership, recognition be made of his contribution to its value and success. I am sincerely pleased and honored in having the opportunity of joining with others in his recognition."

Former Acting Superintendent of Schools,
Chicago, Illinois

The Harrisonian Staff is to be congratulated on the choice of its theme for the 1954 issue of the yearbook. Harrison is a part of the community which it serves, and Service is its motto: service to its students; to its community; and to the city which supports it. The HARRISONIAN, with its excellent pictures and descriptions of every activity of the school, since its beginning, plays an important role in the history of the school. Each year, each semester, constant reference is made to past issues for information concerning former graduates, teachers and the policy of the school.

Ross Herr

*Best of luck
in the future

The cultural benefits of the Social Laboratory constantly reminds us of her delightful personality.

Mr. Duda, who was a Harrison graduate, was head of the Science Department, and a member of the Principal's Advisory Council. Mr. Duda began his career at Morton High School. Two years later he was assigned to his Alma Mater, where he continued teaching until 1952, when he resigned.

He leaves behind an enviable record, as he was loved by both the student body and his colleagues.

DIVISION 8-251

FALL

Freshies! Sophomores! Juniors! And finally Seniors! These four titles have followed us for four glorious years. The years have been filled with joy and sadness.

The 3A Dinner Dance, Mother's Tea, 4B Elections, skating parties, dances, and finally the Prom will all be memories, we will part and friends will be separated. These friendships have grown through the years and will remain forever.

After graduation, many of us will go to college, while others will seek means of employment, but our high school days will be in our fondest memories for many years.

DIVISION 8-305

MISS UCITEL

FALL

Four years ago each of us walked into Harrison striving for one goal, to be seniors. We have achieved that goal — yet somehow we feel it came too quickly.

As we look through our Harrisonians, the thoughts of our prom, dinner dance and so many other activities we have attended, seem so long ago. But, these cherished memories which remain with us will never die.

Before leaving Harrison, grateful thanks should be given to the teachers who tried teaching us and to our division teacher, Miss Viola Ucitel. Her understanding and patience guided us to the goal we have now achieved.

DIVISION 8-308

FALL

The time for graduation is slowly approaching. It seems that only a short time ago we were freshies, looking starry-eyed at a huge building. Thanks to our division teachers' guidance, we can now say that we are ready for graduation.

It's been four years since we entered H.T.H.S. and many of us have worked hard since we came. Everyone in the division has participated in at least one of the following activities:

Honor Society, Blue and Gray, Masque and Gavel, Student Helper, Football Team, Committee Participation, the Herald or Harrisonian Staffs, and the ROTC.

DIVISION 8-337

MISS ORPHANOS

FALL

Four short years ago we entered Harrison worrying about finding our way around the building. Today division members of 8-337 are worrying about the future.

It seems but only a short time ago that we were trying to find out what yesterdays' homework assignment was and wondering if our high school days were ever going to end.

Those days are fast coming to a close now. We remember many things, but chiefly the fun we had just being together.

Though we grow older, we'll always be young when we recall our high school days and old friends which we'll forever cherish in our memories.

MR. SIEDBAND

DIVISION 8-206

SPRING

As four wonderful years draw to a close, we bid farewell to our Alma Mater.

We can never forget when we were freshies, waiting for the day when we would become "SENIORS."

The preparations and the fun we had at our 3A DINNER DANCE will be a lasting memory in our minds and our hearts.

As "Prom Night" drew near, we shall always remember how we looked forward to that "Memorable Event."

We shall always think of Mr. McClellan, Mr. Andris and last but not least Mr. Siedband, who are our everlasting friends.

So to you, Harrison High, we bid farewell.

DIVISION 8-212

MRS. BUNTMAN

SPRING

As June nears we the Seniors of Division 8-212 bid a sad farewell. These four years would not have been such a success without the capable guidance of our wonderful division teacher, Mrs. Buntman.

We have claimed honors in the Honor Society, Orchestra, Band, Varsity Football, Baseball, Swimming and Track along with Intramural Sports, and Boys' and Girls' Bowling Teams.

As always all good things must come to an end. It seems that just yesterday we were "freshies" dominated by the Seniors. Now we have reached our goal. Although there is joy in receiving our diplomas, we are sad at the thought of leaving.

These four years of wonderful memories shall never be forgotten.

SPRING

As the immortal bard once wrote "Goodnight, Goodnight, for parting is such sweet sorrow, That I shall say goodnight Til it be morrow." So are our feelings toward leaving Harrison.

We neither wish to say goodnight nor goodbye but to always keep in our hearts the memory of four wonderful years at H.T.H.S.

With a deep sense of gratitude and appreciation to Mr. Maschek and all our teachers we say thanks.

For those of us who wish to further our education, the foundation for higher learning is well laid. Others who wish to take their place in business are well fortified to compete with present day standards.

So falls the curtain on another scene in the play of "Life".

DIVISION 8-317

MISS CHAKINIS

SPRING

Four of the most wonderful years of our lives are drawing to an end.

We are happy to graduate, but will miss the many friends we leave behind.

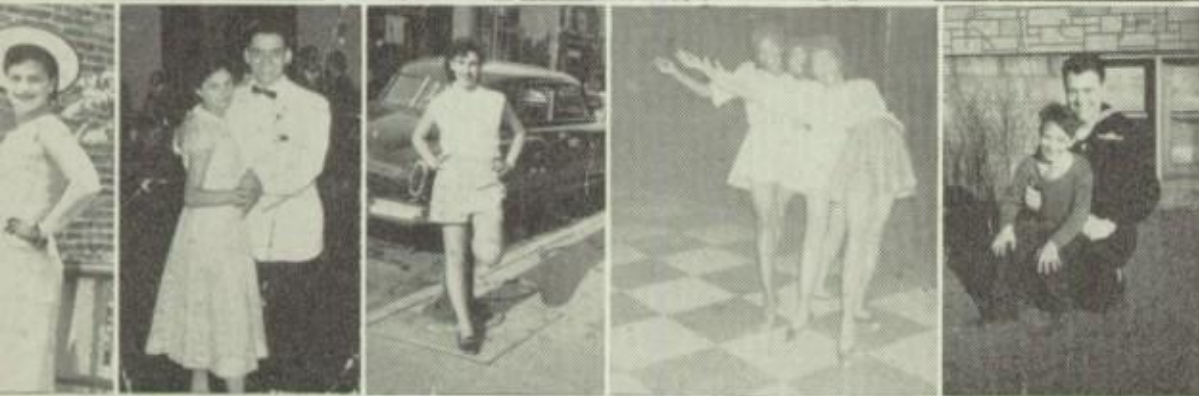

Our division members have participated in all of the various activities of Harrison. We boast of many officers in different organizations.

As time goes on, so must we — on to better things, to success, to joy, for we are the future America.

Time has come to depart from our most treasured acquaintances and face the future that lies ahead.

Division 8-318 has surely prepared for this fete. We owe many thanks to Mrs. Edith McNair who, indeed, is the most understandable and pleasing person as well as a teacher. Surely she will linger in our memories for a long time.

We are proud of LaVerne Kohut who has been elected the Vice-President of our graduating class.

All we can say, as we bid our goodbye, is:

"It's been grand," and "I'll be seeing you."

DIVISION 8-322

MISS DI BONA

SPRING

Four wonderful years of happiness and disappointments, smiles and tears have finally come to a climax. Now the time has come when we shall pass through the doors of HTHS into the world.

Under the efficient guidance of our division teacher, Miss DiBona, we can truly say that we have successfully completed four years which we will never forget.

Memories will always be with us, little reminders of the best years of our lives — those spent at Harrison. Now we part, following many different paths, but in doing so, we wish each other success and hope someday, somewhere, we shall meet again.

Another stepping stone to future success has been completed. It is an accomplishment that will long be cherished by the leaders of tomorrow — Division 8-327.

To attain this goal experience has shown that further education and strong determination are the primary factors on the ladder of success.

We have the necessary qualities and the enthusiasm to better ourselves by further education. We sincerely hope that we have set a good example for younger students in Harrison so that they might be the leaders and good citizens of tomorrow.

Last of all but most important, we bid a farewell to Harrison and what it stands for, and will continue to uphold Harrison's motto:

HARRISON TRIES, HARRISON SUCCEEDS!

DIVISION 8-332

MR. LEJECK

SPRING

Our four years at Harrison have been like a long journey, now we have reached our destination. As we go on to achieve our goal, we will always look back at the wonderful days we spent here.

As we leave we will take with us the cherished memories of the prom, dances, football games, assemblies and classes and the wonderful times we had singing and laughing in the halls.

We would like to express our thanks to Mr. Lejeck for his guidance during our four wonderful years.

As we leave we hope Harrison will be proud of us as we are of it.

Now it is time to put our school days at an end. We have acquired and experienced much from high school, only to move on to many greater experiences and achievements.

We leave with cherished memories of dances, football games, and classes. Memories that we will recall later in life.

We, of Div. 8-400, would like to express our deepest gratitude to Mr. Bergh for his wonderful guidance through our four years at Harrison. Also to our teachers who have aided us in reaching our goal, graduation.

And so we say good-bye, dear Harrison.

SHARON BASCO, a former member of the June 1954 Graduating Class, took part in many of Harrison's school activities. She left school a year ago, when she needed an operation. We had hoped for her return in order that she might graduate with us.

Sharon died November 10, 1953, while still in the hospital.

IN MEMORIAM

CHARLES KLAMIK, a brilliant art student, was a member of the June 1954 Graduating Class. He took part in many art contests, and received well deserved awards for his extremely fine work. He contributed much time to art projects here at Harrison.

Charles died November 22, 1953. His death was caused by an unavoidable accident.

JANET AUMANN, a well liked member of the June 1954 Graduating Class, was an active member in the school activities here at Harrison. She participated in these activities energetically and enthusiastically. She took the same interest in all her classes and friends.

Janet's death came one evening while in her sleep on February 17, 1954.

CONCERT BAND

Rehabilitation of the Band Room is progressing nicely. We now have five practice rooms, a storage room, slanted sound-proof ceiling, beautiful tile floor, music racks and cabinets, and office.

CAPT. EWALD

Highlights of the Band's activities: The Band participated in the Music Department's Christmas Concert on December 2, 1953, and "Show Time" on May 20 and 21, 1954. On February 14, the Band made a bus trip to Joliet, Illinois, to hear the Joliet Township High School Band Concert. On March 19, 1954, the Band held its 26th Annual Concert, at which members of the more than seventy organizations comprised the Lawndale-Crawford Neighborhood Council were special guests. The Board of Education singled out the Harrison Band and ROTC to make an ROTC documentary film which was televised on Channel 9 on April 1, 1954.

ORCHESTRA

*To June
one of the most
reliable talented
girls of the orchestra
Best wishes H. Bergh*

It has always been the aim of our conductor, Mr. Harris Bergh, to acquaint our audiences with the various types of musical works, and it is for this reason that our repertoire is designed to include jazz as well as symphonies, Hammerstein as well as Haydn. Such versatility is possible, however, only after each player has undergone a pre-orchestra training course. With such preparation then, it is easy to see why Harrison's orchestra has successfully participated in solo, ensemble, and orchestra competitions, and why our contributions to festivals, assemblies, and graduations have been distinguished.

Miss Brenner sponsored the group until she left, whereupon Mr. Jicha took over until January 1954.

The group is now disbanded.

The National Honorary Speech Organization which is better known as the Masque and Gavel, consists of members having an average of "G" plus or better and having at least one semester of Public Speaking, and having participated in a number of school activities.

On November 19, 1953, the new members of this vast organization gave a choral reading program for the entire school at an assembly.

M A S Q U E A N D G A V E L

At each meeting there is a dramatic program given by the members. One member placed second in the "I SPEAK FOR DEMOCRACY" contest this year.

The Masque and Gavel promotes better thought and expression of thought activities.

STUDENT COUNCIL

MISS CAPPETTA

During the past year, the Student Council strived to bring a closer relationship among the students by giving them a "voice in school government."

Among its many campaigns were clean-up, booster-pins, "Pageant of Peace" (Armistice Day Assembly) and Youth Week program.

On the lighter side, many socials or "get-togethers" were arranged and movies provided occasional entertainment.

Only through the complete co-operation of the entire council and the able assistance of our sponsor, Miss Cappetta, were these things possible. The officers are:

The fourteen Blue Fawns girls have organized this club for the purpose of promoting school spirit among our classmates. We hold many activities such as bowling parties, dances, hayrides, and splash parties. With the aid of Miss Helen O'Day, our sponsor, we have been able to have our club continue for two years.

We hold our meetings at the homes of each member every Thursday. We hope this club will be continued by others after our graduation.

We participate in such activities as the PAN AMERICAN program which is held once a year during the month of April.

The young men who serve on our Stage Crew do so with the feeling that they serve their school in a worthy manner, plus carrying their school load of subjects.

It is their job to set up the stage properties such as, the public address system, risers, screen, all lighting effects and scenery, and keep them in good working order.

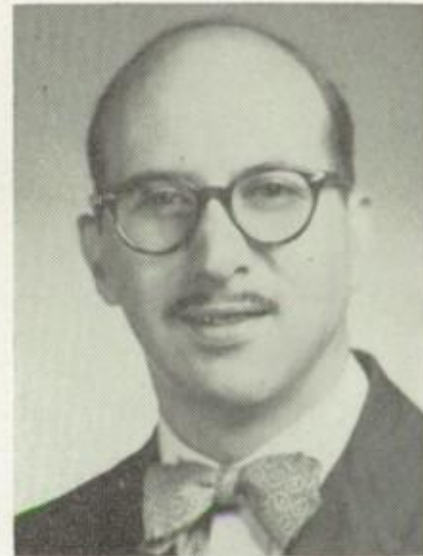

The hardest job that they have to do is to keep up with their school studies. Stage crew work requires many periods of service trying to help the other fellow — you.

We of the stage crew want to thank George Kush for his untiring, willing and conscientious service.

CAMERA CLUB

The Harrison Camera Club was formed in the fall semester of 1953, and is dedicated to the idea of learning and improving all phases of photographic technique. Under the watchful eye of Mr. Jourdan Siedband, students are experiencing the thrill of learning by doing. Members who have never possessed their own films are discovering new horizons. The club is equipped with a fine darkroom and encourages members to use it to greatest advantage. The enlarger was furnished by the school but all other equipment has been furnished by the students themselves.

The club expects to set up a school exhibit of photographs in the future and encourages talented students to participate in its activities.

FALL

We've passed through three years already and have something to show for our efforts. Our division members have scattered themselves—throughout various activities. Band, Orchestra, "H" Club, Honor Society, ROTC, Social Laboratory, and Intramural Sports.

Many outside activities were planned, but our outing in June of 1953 was the most memorable.

We are very proud of Mr. Hamilton, as our Division teacher, and hope he is equally proud of us.

NORINE BAECHTOLD, Harrisonian Representative.

MR. FREESE

It seems that only yesterday we were freshies, now we are in the last half of our junior year.

During these semesters our division has participated in such activities as Masque and Gavel, Student Council, Orchestra, Band, ROTC, the Choruses, and the Bowling League. We have all tried to keep our scholastic averages high and we have quite a few students in the Honor Society.

Of course we never would have reached this goal if we didn't have the capable and understanding guidance of our division teacher, Mr. Freese.

We are made up of many different nationalities: Polish, German, Italian, French, Jewish, Bohemian, English, Mexican, Greek, Swedish, and Puerto Rican, although we are all Americans.

FALL

After three years of hard work we now appear before you as Juniors. We have come a long way since those "Freshie" days.

We have had many Division teachers in our three years at Harrison.

Our first division teacher was Miss Mahoney. She was succeeded by Miss Klinger, and then Miss Miller. We now have Miss Whelan who we hope will stay with us until our graduation.

We in Division 5-346 are proud of our scholastic record. The record had been good since our Freshmen days. We have ten members on the Honor Roll, and the others are all doing nicely.

Our activities include Football, Choir, Band, and Orchestra. Our girls are GAA enthusiasts.

The members of Division 5-336 have enjoyed many good times and are now waiting for our most important year as "Seniors".

Many of the students have participated in such activities as Choir, Girls' Chorus, ROTC, Student Helper, and Social Laboratory Hostesses.

With the capable help of Mr. Bassett, we hope to continue our good work and try to be good Harrisonites.

DIVISION 5-334

FALL

Five semesters ago we came to Harrison wide eyed with great curiosity. We all heard about Harrison High — the elevators that ran to the 5th floor and the mad rush during 5th lunch.

Filled with eagerness and anticipation we tried to find the elevators but got lost doing so and also got caught in the 5th lunch stampede.

After a few weeks of going around in circles trying to find our rooms, we realized that we had come to a fine school and met many nice teachers and new friends.

MRS. RECKLING

Now that we are juniors, Division 5-320 has quite a bit of history behind it.

Under the guidance and leadership of "Mom" Reckling, we have girls and boys in the Choirs, GAA, Library, Masque and Gavel, and also on the Basketball and Bowling teams.

After some screaming and pulling of hair Mrs. Reckling has persuaded the whole division to get a G or better average and many have an E or S average.

This semester we have some new members that have added to the luster of our sparkling division.

JAMES PETELLE, Harrisonian Representative.

We of division 5-300 have had many exciting experiences. So many in fact, we do not know which to tell of first. The future holds in store our senior year, and the gay affair of our prom. These are only a few of the enjoyable affairs at HTHS.

DOLORE MALKOWSKI, Harrisonian Representative.

Another semester has rolled around and Division 5-255 has a new division teacher. She arrived lately from Florida where she was enjoying a splendid two year vacation. As all nice things have to come to an end, she found her way back to Chicago and Harrison High School.

Our Division 4-309 has come a long way from eager, overly-worried freshies, to somewhat self-reliant sophomores. As all of you who are acquainted with our division know we have a peculiar knack for always being moved. You can imagine our shock in learning we were to remain in the same room for more than one semester. We were too optimistic, because we have again been moved. It is with much enthusiasm that we are looking forward to our senior year, and we feel confident that under the guidance of our division teacher, Miss McHugh, we will prosper in our final years at Harrison.

Even though we are only sophomores we are looking forward to joining some of the Junior activities and the Honor Society.

In our two years which we have spent at Harrison we have participated in many activities including the choirs, choruses, and GAA. We also have several students on the honor roll who are working to keep up good grades so that they may make the Honor Society.

This is the closing of our third semester at Harrison. We have achieved many honors and participated in various activities. Our division has really acquired a true school spirit, and we are proud to say several of us have held a place on the honor roll since our first semester here.

The fall semester started with a new division teacher, Mrs. Packer. All of us were sorry to see Mr. Sobehrad leave, but we appreciate Mrs. Packer's efforts.

We are looking forward to a bright and happy 2A semester, as our past semester has been.

We, the sophomores of division 3-ELR, are about to undertake an important journey. We know we must be prepared for this journey since it will lead us through the path of success.

We are grateful to our division teacher, Mr. Davidson, who has guided us with a kind and helping hand.

We are all doing our best to make this trip a successful one.

DIVISION 3-335

FALL

MR. MILLER

Division 3-335 is a sad division because of the rehabilitation. It has no definite room to call its own. At the present time we are just a section of Morse Hall.

We have had divisions in rooms 212, 300, and 304 already this semester.

Our division has subscribed 100 per cent to the Herald.

We have quite a few students that are participating in different activities and also possess an all S student.

KATHLEEN GAZELL, Harrisonian Representative.

With the help of our division teacher, Miss Bresee, we have managed to keep up with the activities at school. A couple of the boys are on the Football team, some of us are in the Mixed Chorus and Band, and a few are on the Honor Roll. As a whole we make an active class.

CHARLES DRAHOS, Harrisonian Representative.

Most of the students of 3-314 are active in some social or athletic activity in Harrison, which proves we have good school spirit. We are looking forward to our next two years at HTHS.

We know that with the help of our division teacher, Mrs. Ward, we will find our next years very pleasant.

MR. SARATOWICZ

We, the sophomores of division 3-260, consist of 32 students.

Much to our regret in the past year we have lost several students. However, we have gained many new members.

The students of our class participate in many extra curricular activities such as band, orchestra, bowling and student helpers.

We are looking forward with much enthusiasm to the remaining two years of school. We are hoping that under the careful supervision of our division teacher, Mr. Saratowicz, our remaining two will be as enjoyable as the previous two years have been.

NETTIE KOTZ, Harrisonian Representative.

Division 3-254 is bursting with pride with good reason. A year ago we were freshmen walking through a strange new school. But, since then we have become more energetic and active, participating in such activities as band, ROTC, hall guards, track team, orchestra, choir, choruses, student council, and library helpers.

Now that our sophomore year is almost ended we are looking forward to our last two years at Harrison.

We would like to thank our division teacher, Miss Stack, who has guided us.

We are proud of our 100% subscription to the Herald and our 100% donation to the Student Welfare.

With two years of our high school course almost finished, we are looking forward to our last two years at Harrison hoping they will be even better than the first two.

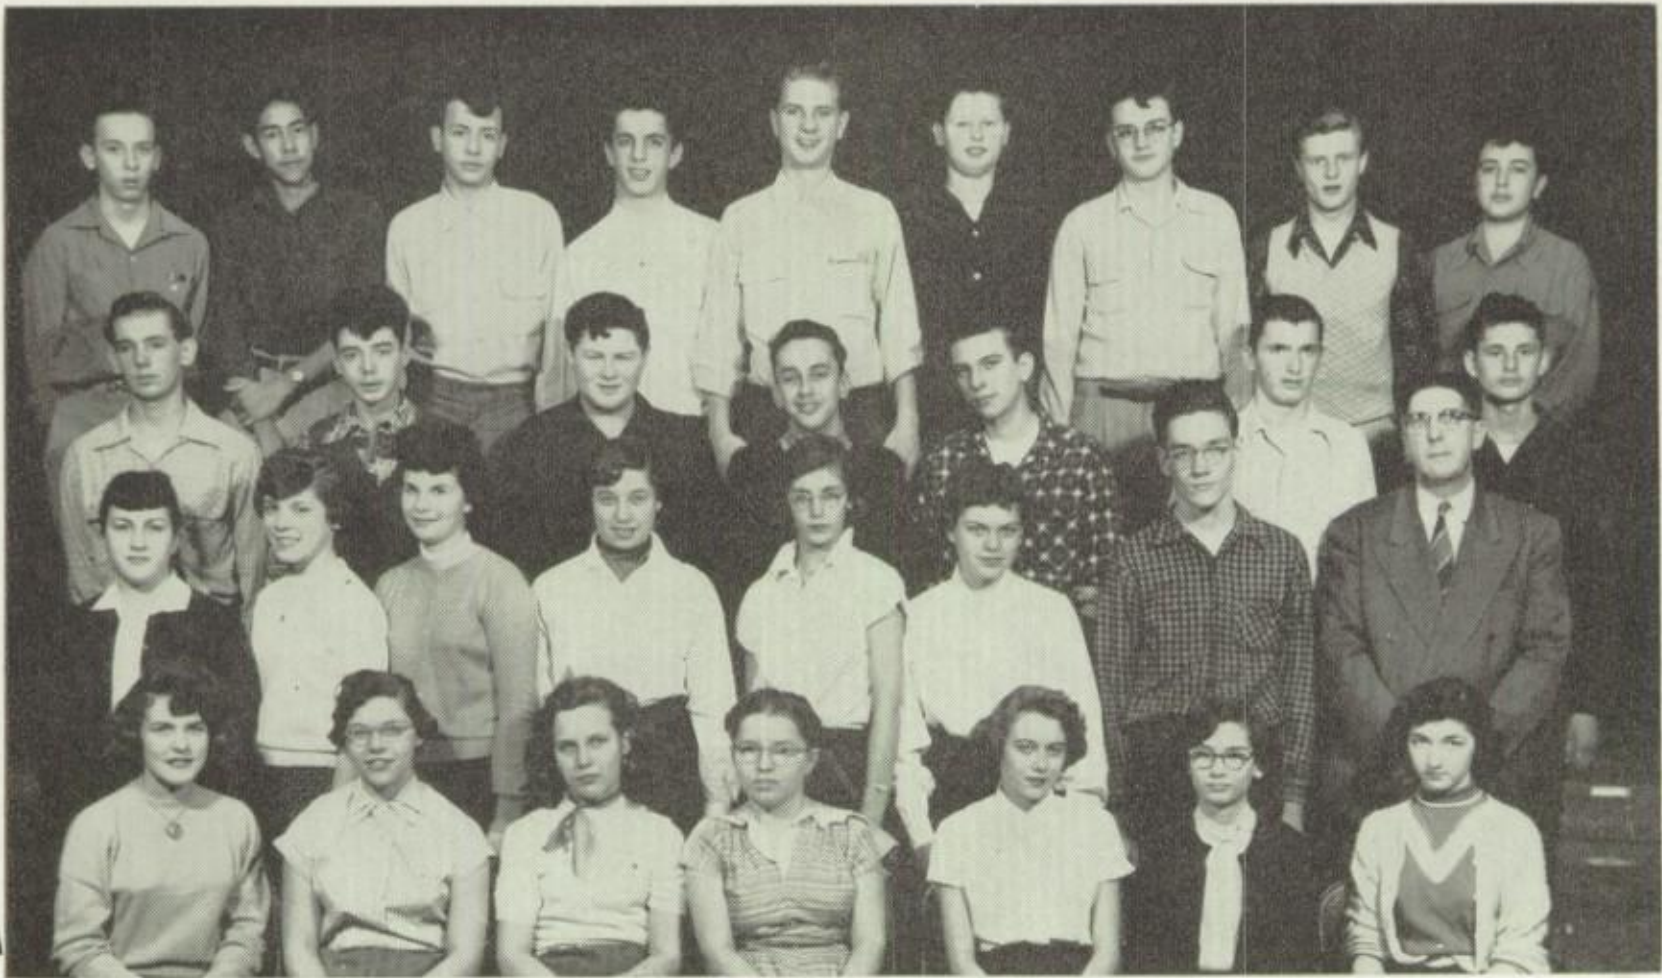

With great enthusiasm we are waiting to start our junior year. We intend to cooperate as before.

We appreciate the help our division teacher, Miss Mae L. Cunningham, has given us.

Now we feel that we are a part of Harrison.

Although we are only sophomores, most of us have sequences that in the future will help us reach our goals.

Our division has appreciated what Miss O'Day has done for us and we know that she will continue to help and guide us through our remaining years.

MARCIA RADA VICK, Harrisonian Representative.

We sophomores of Division 3-258 are working for higher scholastic achievement and greater participation in Harrison activities. Our support of the student welfare fund placed us near the top. In the two years ahead we will strive to serve our school even harder and uphold its fine traditions.

PAT GROSSICH, Harrisonian Representative.

We have only been here at Harrison for a year and a half, but we have already gotten into quite a few activities. Band, orchestra, hall guards, and registration are just a few.

In the years to come we are all looking forward to the many pleasures and fun we know we will have.

We have a new division teacher who has been most kind and helpful to her group.

Members of our division have joined clubs and partaken in new activities not only for enjoyment but to help our school.

IRENE TERRAZAS, Harrisonian Representative.

Our division consists of thirty-two students. We have members on the Honor Roll, in the Choruses, Orchestra, Band, and the ROTC.

The students in our division have all bought the Herald. We are also proud to be listed as 100% in contributions.

Now that we are further along in Harrison we feel more a part of it. We are known as the "Hard Working Angels", which we are trying our best to live up to. We take part in all sorts of activities and have several prospects for the Honor Society. Our division teacher is striving very hard to help us along and is doing very well. We hope our division will be represented in many activities throughout the school.

Although we came to Harrison from several different elementary schools, our first year here has shown that now we are all true Harrisonites. Besides trying hard to make good in our studies, we also back our school in its many activities. In our first semester our Division 225 bought more bows on Bow Day than any other division. We hope to keep up the good start we have made in Harrison.

C. ANDERSON, Harrisonian Representative.

There are nineteen boys and seventeen girls in Division 221. Most of us are Chicago's own children, born and reared here. A few of our members have come from foreign lands, forced to leave their homes by war and its effects. They have readily found their places in our city and in our school; all three are on our Division Honor Roll, along with several other members of our group.

All thirty-six of us are closely united in our loyalty to Harrison High and to Division 221.

MARILYN SAGODIC, Harrisonian Representative.

We had a very exciting time when we started going to Harrison. It all began when we made out our program cards. It was very exciting to be running all over looking for our rooms. When we finally were able to find our rooms easily, we had more opportunities to make new friends.

DIVISION 1-326

FALL

We are among the freshies at Harrison, a nice group, we think, with some very friendly boys and girls. Mr. Thomas, our division teacher, is new at Harrison, having come here from the Jones Commercial High School. Before that he was a teacher at the Austin High School. We think he is grand and we will enjoy our division period. One member of the division said, "Division period and lunch period are the two best periods of the day."

All of us like it here at Harrison and we all have nice teachers who would excuse us if we came in late the first few days knowing we probably got lost in the building. We could hardly wait till our course books were marked and signed. We received good marks. We are looking forward to becoming Sophomores so we can call the new students "Freshies". Most of us have gotten used to being called that.

Some of the activities we participated in are GAA, ROTC, Hall Guard and Student Helpers.

This is all except to say again that we all love it here at Harrison.

The members of division 1-339 believe they have a unique record in one respect: among the thirty-six students of the group, twenty-seven different elementary schools are represented. We, the members of Division 1-127, are very happy at Harrison. We shall co-operate in every way with Mr. Herr and his faculty.

We shall join as many activities as possible. We will do our best in every way.

KENNETH FALK, Harrisonian Representative.

Thirty-eight strong are we, hailing from Texas, Mississippi, Alabama, Georgia, New Jersey, and of course, the majority from Illinois.

Most of us are little people, as Freshies usually run, although we have a few tall and large members.

Each of us is rapidly adjusting himself or herself to the new active life at Harrison under the guidance of Miss Eva B. Cappetta. We are learning the rules and regulations; in fact, some of us have experienced the penalties levied when rules are broken.

Here you see a group of 39 new freshies from division 1-212, who are very proud to be part of Harrison High School.

We have only been here a month but already enjoy every moment spent here. At first it was hard for us to get used to new rooms, and the teachers with all the rules.

Miss Ucitel, our division teacher, is most anxious to help us in our problems and we know that we can always turn to her for help.

We will all try to make Harrison proud of us.

Our division consists of 28 students. Mrs. Isbitz, our division teacher, is very co-operative and considerate. She always helps us when we have a problem. We find our division very interesting. BOYS' BOWLING

The bowling team under the excellent supervision of Mr. John Pauly, turned out to be one of the most successful in the bowling history of Harrison.

It was composed of sixteen teams and the robust competition was taken in stride by every member. Thus, everyone had a great amount of fun during the thirty-three active weeks of the season.

Ron Zabilka, Gene Chalupa, and Rich Prusa were chosen respectively as president, secretary, and co-secretary of the league.

Congratulations to the following boys on taking second place in the annual Chicago Public High School Tournaments: Bill Ptack, Ed Wlezien, Stan Zajac, Ron Zabilka, Ron Zabaca, Bill Waitkus, Herb Placek, and Don Casper.

GIRLS' BOWLING

Bowling has become one of the top recreations for our girls at Harrison.

The girls' leagues on Wednesday and Friday afternoons consist of 26 3-girl teams. Secretaries for the Wednesday league are Jane Saylor and Joan Martin; for the Friday league, Janet Cole and Wanda Raponi.

A great event for the girls was when a 5-girl team took second place in the Chicago American Tournament.

Every bowler is looking forward to the Annual Banquet held at the end of the season, where delicious food, trophies, patches, pins, and tournament statues will be enjoyed by both leagues.
